# GHOSTBUSTER GHOST CATCHER GIFT BOX PRINTABLE

To be used with popcorn boxes like the ones found [here](.).
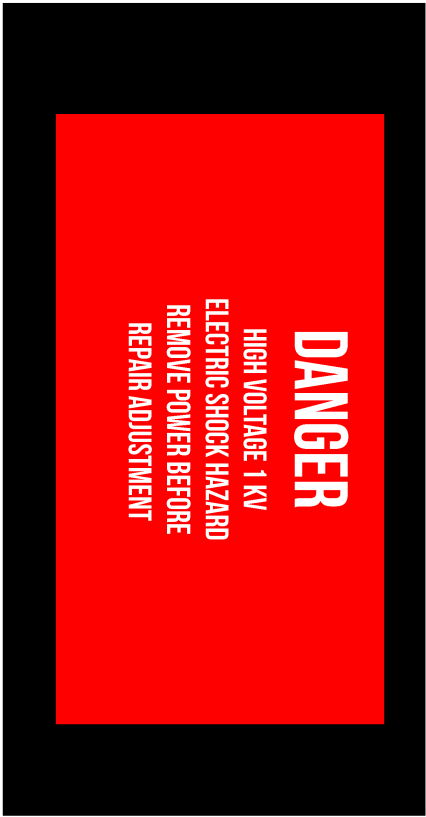

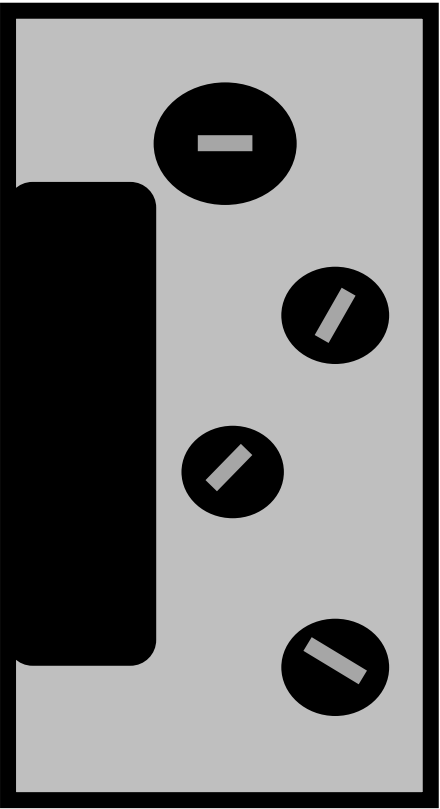

Directions:

1. Prep boxes by taping the pre-folded end. Use large, clear packing tape like used for packing boxes.

2. Then cut a lined down the center starting at the non-taped end.

3. Fold the non-folded end and apply tape.

4. Cut the corner edge of each side of the area that you have already cut a center line. This creates the new opening of the box.

5. For additional strength you can add tape on the inside of each end for reinforcement.

6. Cut out gift box printable and tape to designated parts of the box.
